

Application for Immediate Retirement

Federal Employees Retirement System

This application is for you if you are a Federal employee covered by the Federal Employees Retirement System (FERS) and you wish to apply for retirement with an immediate annuity. You should use this application if you want to apply for an annuity which will begin within 30 days of your separation from Federal service.

Do not use this application to apply for a deferred annuity. A deferred annuity begins more than 30 days after the date of final separation. If you want to apply for a deferred annuity, you should request an RI 92-19, *FERS Application for Deferred or Postponed Retirement*, from the Office of Personnel Management, Federal Employees Retirement System, P.O. Box 200, Boyers, PA 16017-0200.

You should have received an informational pamphlet SF 3113, *Applying for Immediate Retirement Under the Federal Employees Retirement System*, with this application. If you did not receive the pamphlet you should get a copy from your employing agency.

Retirement benefits and retirement processing are complicated. Read the information in the pamphlet carefully. When you decide to retire, give your agency advance notice so it can be sure your records are complete and it can carry out its responsibilities in processing the paperwork associated with your retirement.

Give your completed application to the personnel office of your employing agency. They will forward your application to the Office of Personnel Management for processing. If you have any questions, ask your employing office for assistance. You must apply separately for any benefits payable from the Thrift Savings Plan and the Social Security Administration.

If your address changes after your application has been forwarded to the Office of Personnel Management, but before you receive your claim number, write to us, giving your name, date of birth, and Social Security Number. If you have received your claim number, remember to refer to it.

Instructions for Completing Application

Type or print clearly. If you need more space in any section, use a plain piece of paper with your name, date of birth, and Social Security Number written at the top. If you do not know an answer write "unknown". If you are unsure of information (for example, if you do not know an exact date), answer to the best of your ability, followed by a question mark (?).

The following additional information should help you to answer those questions on the application which are not entirely self-explanatory.

SECTION A - Identifying Information

Item 2: List other names under which you have been employed in the Federal government (such as a maiden name). This will help us to locate and identify records maintained under these names.

Item 3: Enter the address to which correspondence should be mailed. If you want your payments sent to a bank, do **not** enter the bank address here; see Section H of the application form.

Item 4: Give a telephone number where you can be reached after you retire and the best time to reach you during business hours.

SECTION B - Federal Service

Item 2: Enter the date of final separation for retirement. (Leave blank if applying for disability retirement and not separated.)

Item 4: Indicate whether or not you have performed active duty that terminated under honorable conditions in the armed services or other uniformed services of the United States including the following:

- a. Army, Navy, Marine Corps, Air Force or Coast Guard of United States;
- b. Commissioned Corps of the Public Health Service after June 30, 1960;
- c. Commissioned Corps of the National Oceanic and Atmospheric Administration (formerly Coast and Geodetic Survey and Environmental Science Services Administration) after June 30, 1961;
- d. Cadet or Midshipman of the U.S. Military Academy, U.S. Air Force Academy, U.S. Coast Guard Academy, or U.S. Naval Academy.

Service in reserve components and/or the National Guard is not considered active Federal military service except when ordered to active duty in the service of the United States and during an initial 4-month training period for Guardsmen. However, full time National Guard duty (as such term is defined in Section 101(d) of title 10) is creditable, if such service interrupts FERS creditable civilian service and is followed by reemployment in accordance with Chapter 43 of title 38 that occurs after August 1, 1990.

If you have performed such service, complete and attach Schedule A, furnishing the requested information for each period of active duty.

To receive FERS credit for military service performed on or after January 1, 1957, you must make a deposit of 3 percent of your military basic pay. You must pay the deposit to your agency while you are still employed. You may not pay OPM after you retire.

If you are entitled to have part of your retirement computed under CSRS rules, military service performed prior to your transfer to FERS comes under CSRS deposit rules. These rules are as follows:

- The CSRS deposit is 7 percent of your military basic pay.
- If you were first employed in a civilian position before October 1, 1982, you do not pay the deposit and you are eligible for a Social Security benefit at age 62, the CSRS part of your annuity will be recomputed at age 62 to delete credit for the post-1956 military service.
- If you were first hired on or after October 1, 1982, you will not receive any credit for post-1956 military service if you do not make the deposit for it.
- CSRS military service deposits must also be paid to your agency while you are still employed.

Item 5: If you are receiving, or have applied for, military retired pay, answer "yes" to Item 5, then complete and attach Schedule B-Military Retired Pay. (Note: Military retired pay includes disability pay.)

This information is needed to assure correct credit for military service. Receipt of military retired pay may affect the computation of your annuity rate.

If you are waiving military retired pay for FERS retirement purposes, your agency can help you prepare your request for waiver. Attaching a copy of your waiver request and the finance center's acknowledgment (if available) to your application may help us to process your claim more quickly. (Even if you have already waived your military retired pay to receive benefits from the Veterans Administration, you also need to file a waiver for FERS.)

SECTION C - Marital Information

Item 2: Indicate whether you have a living former spouse to whom a court order awards a survivor annuity based on your Federal employment. If you answer "yes", you must submit a certified copy of the court order and any attachments or amendments.

SECTION D - Annuity Election

(See pages 11-18 of SF 3113, *Applying for Immediate Retirement Under the Federal Employees Retirement System*.)

Read the information about survivor benefits found in the pamphlet, *Applying for Immediate Retirement Under FERS*, before completing Section D.

Box 4: If you initial Box 4, a person selected by you, who has an insurable interest in you, will receive a survivor annuity upon your death. Insurable interest exists if the person named may reasonably expect to derive financial benefit from your continued life (such as a former spouse or a close relative).

If you choose an insurable interest survivor annuity, the survivor annuity will be 55 percent of your annuity after your annuity has been reduced to provide this benefit (see table).

Any employee who is not retiring for disability and who can prove good health may elect a reduced annuity to provide a survivor annuity for a person having an insurable interest in the retiree. You may elect this insurable interest survivor annuity in addition to a regular survivor annuity for a current or former spouse. If you elect an insurable interest annuity for your current spouse, you must both jointly waive the current spouse annuity. Generally, an insurable interest cannot be cancelled. However, if you elect the insurable interest annuity for a current spouse because a court order awards (or you have elected) the regular survivor annuity to a former spouse, the insurable interest election for your current spouse can be converted to a current spouse annuity if the former spouse loses entitlement to the regular annuity.

If you choose an insurable interest annuity, the amount of the reduction in your annuity will depend upon the difference between your age and the age of the person named as survivor annuitant, as shown in the table below.

Age of the Person Named in Relation to That of Retiring Employee	Reduction in Annuity of Retiring Employee
Older, same age, or less than 5 years younger	10%
5 but less than 10 years younger	15%
10 but less than 15 years younger	20%
15 but less than 20 years younger	25%
20 but less than 25 years younger	30%
25 but less than 30 years younger	35%
30 or more years younger	40%

Box 5: If you initial box 5, your former spouse(s) will receive a survivor annuity upon your death. The maximum survivor annuity payable to your former spouse(s) is 50% of your unreduced annuity. Your annuity will be reduced 5% or 10% according to the total benefit you want to provide.

You may elect to provide a survivor annuity for more than one former spouse. The total of the survivor annuities must equal either 25% or 50% of your unreduced annuity.

If you are married, you must have your spouse's consent to choose this option, because any benefit elected for a former spouse limits what can be elected for your current spouse. (Complete and attach SF 3107-2, *Spouse's Consent to Survivor Election*, to your application.) The maximum combined survivor benefits that can be elected for your current and former spouse(s) is 50% of your benefit.

SECTION F - Other Claim Information

Item 1: If you have applied for, or received, workers' compensation from the Office of Workers' Compensation Programs, U.S. Department of Labor, because of a job-related illness or injury, check the "yes" box and complete Schedule C.

In Schedule C you should provide the following information:

1. If you are receiving (or have received in the last 2 years) compensation, enter your compensation claim number(s), the beginning and ending dates of each period for which compensation was paid, and whether the benefits were a scheduled award or disability compensation.
2. If you have applied for, but are not receiving benefits, indicate whether your claim is pending or has been denied and the claim numbers applicable.
3. Indicate whether you agree to notify us if the status of your workers' compensation claim changes and whether or not you authorize the Office of Personnel Management and/or the Office of Workers' Compensation Programs to collect any overpayment if we find that you were paid, but not eligible for, both compensation and annuity benefits covering the same period of time. Without this authorization, we will not authorize payment of your annuity until we can confirm that OWCP is not paying you compensation.

The information requested regarding benefits from the Office of Workers' Compensation Programs is needed because the law prohibits the dual compensation which would exist if you received both a FERS annuity and compensation for total or partial disability under the Federal Employees' Compensation Act.

SECTION G - Information About Children

Complete Section G by providing the names and dates of birth of your unmarried dependent children under the age of 18. Also list any child over the age of 18 and incapable of self-support because of mental or physical disability incurred before the age of 18. Check the box headed "disabled" by the name of each child to whom this applies. Information about your children in your annuity claim file may help to expedite the processing of claims for survivor benefits in the event of your death.

SECTION I - Applicant's Certification

Be sure to sign (do not print) and date your application after reviewing the warning.

Privacy Act Statement

Solicitation of this information is authorized by the Federal Employees Retirement law, (Chapter 84, title 5, U.S. Code), the Federal Employees Group Life Insurance law (Chapter 87, title 5, U.S. Code) and the Federal Employees Health Benefits law (Chapter 89, title 5, U.S. Code). The information you furnish will be used to identify records properly associated with your application for Federal benefits, to obtain additional information if necessary to determine and allow present or future benefits, and to maintain a unique identifiable claim file for you. The information may be shared and is subject to verification via paper, electronic media, or through the use of computer matching programs with national, state, local or other charitable or social security administrative agencies in order to determine benefits under their programs, to obtain information necessary for determination or continuation of benefits under this program, or to report income for tax purposes. It may also be shared and verified, as noted above, with law enforcement agencies when they are investigating a violation or potential violation of the civil or criminal law. Public Law 104-134 (April 26, 1996) requires that any person doing business with the Federal government furnish a Social Security Number or tax identification number. This is an amendment to title 31, Section 7701. Failure to furnish the requested information may delay or prevent action on your application. Information you provide about your unmarried dependent children may be used to expedite their claims after you die; however, your failure to supply such information will not affect any future rights they may have to benefits.

General Information: The law requires that a retiring, married employee must provide a survivor annuity for a current spouse, UNLESS the current spouse consents to an election not to provide the maximum survivor benefit.

A court order which requires a retiring employee to provide a survivor annuity for a former spouse is not an election and spousal consent is not required. In other words, such a court order does not require a current spouse to waive the right to a survivor annuity for the current spouse even though the Office of Personnel Management

(OPM) must honor the terms of the court order before it can honor the election for the current spouse. The current spouse may, therefore, receive a smaller annuity than elected, or none at all, unless the former spouse loses eligibility for the court-ordered survivor annuity (through remarriage before age 55 or death).

Important: If the current spouse consents to an election to provide no survivor annuity and is later divorced from the retired employee, the retired employee may not then elect (nor can OPM honor a court order) to provide a former spouse annuity for that spouse.
